THE BUILDING LIMES FORUM

TO ENCOURAGE EXPERTISE AND UNDERSTANDING IN THE USE OF LIME IN BUILDING

Sponsorship of our Annual Gathering helps us to keep down costs for delegates, making the event more accessible to a wider range of people. Your support allows the BLF to invite renowned speakers from around the world without compromising the viability of the gathering. It also enables us to provide bursaries for those starting their lime career who might otherwise be unable to attend. The BLF is a registered charity so donations can be tax-efficient for donors. Sponsorship and support is available at several levels to suit all budgets.

THE BUILDING LIMES FORUM

TO ENCOURAGE EXPERTISE AND UNDERSTANDING IN THE USE OF LIME IN BUILDING

BURSARY DONATIONS

Each year, we award around 15 bursaries worth about £5,000, enabling students and others on a low income to attend the Gathering.

If you would like to make a donation specifically to support the bursary fund, we can offer the same benefits as for the sponsorship packages above, commensurate with the value of the donation.

AUCTION & RAFFLE DONATIONS

The BLF will also accept gifts to be auctioned or raffled in support of the bursary fund. Gifts may be items (such as books, prints, wine and spirits, tools, or training courses) or in-kind donations (such as time spent with an expert on site, at a place of interest or in a workshop or laboratory).

Please let us know as soon as possible if you would like to make a donation and provide us with details of the item or in-kind donation.

We need to have details of auction or raffle gifts two weeks before the conference date.

CONTACT US

If you are interested in contributing other information or leaflets to be included in the delegate packs, or advertising with us throughout the gathering, please contact us directly to discuss options and opportunities.

Sponsors will need to fill out the supplied sponsorship form to provide us with relevant information. Additionally, high resolution branding, such as logos, will need to be provided for conference and publicity purposes.

For questions or to submit your sponsorship today, email:
manager@buildinglimesforum.org.uk
